Testimonials	
Jacob Glazer	<p>Ahmed is an oasis in this desert of BS artists and fools. If you need someone who will communicate with you regularly, will really listen to you and work in a collaborative way, then look no further. He is great with actionscript, has a great design sense and understands the importance of good 'physics' in a user interface. To top it off, he is a really nice person.</p>
Roy Brown	<p>What a fantastic programmer!! He does incredible work, sends prompt updates, in a great timely fashion! I will most definitely work with him again in the future. I cannot say enough great things about him, thanks again for all of your help! A++++</p>
Chris Rothermel	<p>This guy was amazing. Delivered in one day my exact needs. A true workhorse. Ready for next project with Ahmed.</p>
Omid Halavi	<p>I am amazed at the work this developer has delivered. He is very quick and sharp. USE THIS GUY.</p>
Jason Russell	<p>This web designer is the best web designer I have met in my 7 years of working online. Very kind, professional, and extremely fast. ALL my future design work will go to this designer for sure.</p>
Khurram	<p>He a brilliant and efficient programmer. He is!!! Very prompt while responding, very quick while understanding and really meets all requirements. Thanks very much for a nice job!</p>
Adam Jackson	<p>Worked quickly, excellent turnaround and very high-quality work.</p>
